ABSTRACT

This document is the first of two volumes of tables summarizing the data obtained from the Employer Information Reports (EEO-1) for 1978. Figures were obtained from a total of 39,000 employers with 36 million employees. These figures cover about half of all private, non-farm workers, as compared to U.S. Bureau of Labor Statistics' annual average employment statistics. Volume 1 contains two tables. Table 1 relates occupational employment in private industry by race/ethnic group and sex and by industry in the United States (excluding Hawaii). Table 2 relates occupational employment in private industry by race/ethnic group and sex and by state and industry. An EEO-1 form and instructions are appended. (KC)

Introductory Note

As part of its mandate under Title VII of the Civil Rights Act of 1964, the Equal Employment Opportunity Commission requires periodic reports from public and private employers, unions and labor organizations indicating the makeup of their workforce by sex and by race/ethnic categories as defined in U.S. Department of Commerce, Office of Federal Statistical Policy and Standards Directive No. 15. The data collected from these reports are used by the Equal Employment Opportunity Commission to aid it in carrying out its Title VII enforcement responsibilities. The data are also used by other Federal, state and local agencies charged with enforcement of equal employment opportunity laws as well as by nongovernment organizations and researchers concerned with equal employment opportunity.

The Commission currently requires the filing of six types of reports.

Name of Report	Schedule of Collection	From
Employer Information Report (EEO-1)	Annual	Private employers with: (a) 100 or more employees, or (b) 50 or more employees and: (1) have a federal contract or first-tier subcontract worth $50,000 or more, or (2) act as depositories of federal funds in any amount, or (3) act as issuing and paying agents for U.S. Saving Bonds and Notes.

Name of Report	Schedule of Collection	From
Apprenticeship Information Report (EEO-2)	Annual	Joint labor-management apprenticeship committees which have: (a) five or more apprentices in entire program, and (b) at least one employer with 25 or more employees, and (c) at least one union sponsor which operates a hiring hall or has 25 or more members.
Apprenticeship Information Report (EEO-2E)	Annual	Private employers who: (a) have a total company-wide employment of 100 or more employees, and (b) unilaterally conduct and control an apprenticeship program, and (c) have five or more apprentices in an establishment.
Local Union Report (EEO-3)	Annual	All local unions with 100 or more members at any time since December 31 of the preceding survey year. Referral un-unions must complete Schedule I of the report.
State and Local Government Information Report (EEO-4)	Governments with 100 or more employees-Annually 50-99 employees-every two years	The 50 states, the District of Columbia and local governments with fifteen (15) or more full-time employees.

Name of Report	Schedule of Collection	From
	25-49 employees-every four years	
	15-24 employees-every six years	
Elementary-Secondary Staff Information Report (EEO-5)	Districts with 100 or more employees-Annually	Public elementary and secondary school systems and districts.
	50-99 employees-twice every four years	
	25-49 employees-once every four years	
	15-24 employees-once every six years	
Higher Education Staff Information Report (EEO-6)	Biennially	Institutions of higher education (post-secondary) with fifteen (15) or more full-time employees.

The data from each of these surveys is available in publications such as this one. More detailed data is maintained on magnetic tapes and on microfilm and is available to users upon request.

The confidentiality provision which governs release of these data (Section 709(e) of Title VII of the Civil Rights Act of 1964, as amended by the Equal Employment Opportunity Act of 1972) prohibits release of individually identifiable information. However, data in pre-aggregated format for major geographic areas are available. Other available aggregates are: by industry groupings for private employers (EEO-1); by trade or craft for apprenticeship (EEO-2 and 2E); by national or international union data (EEO-3); by governmental function for state and local governments (EEO-4); by enrollment size categories for school districts (EEO-5); and by highest offering, sex of student body, public/private status for colleges and universities (EEO-6). Special aggregations can be prepared for requestors, but depending on the nature of the request, there may be a charge to cover the actual cost of preparing such aggregates.

Historical aggregated data are available for most years since the inception of each data collection program: the EEO-1, since 1966; the EEO-2 and EEO-3, 1967; the EEO-4 and EEO-5, 1973; and the EEO-6, 1975. All Commission data files are coded and therefore can be aggregated into the customary geographic areas. Data for each geographical aggregation are comparable in format to the tables appearing in each publication.

These two volumes contain four tables summarizing the data obtained in the Employer Information Report (EEO-1) for 1978. In 1978, a total of 39,000 employers with 36 million employees filed EEO-1 reports. Single-establishment employers submitted only one EEO-1 report, while those employers of 100 or more persons whose business was conducted at more than one location were required to submit a company-wide consolidated report, a headquarters report, and individual reports for each establishment with 25 or more workers. Employment figures could be for any pay period, January through March 1978. Some employers were permitted to report 1977 year-end figures.

Employers submitted, as appropriate, individual establishment and headquarters reports for 164,917 reporting units with 32.7 million workers. The remainder of the 36 million employees were in establishments for which no separate report was required and were reported only on company-wide consolidated reports. Because they were not identifiable by industry, they are not included in the summary tables. The 32.7 million employees constituted about half of all private, non-farm workers. Thus, there are limitations to the employer universe covered in the EEO-1 data of which users should be aware. As seen on the table below, EEO-1 coverage of employers in various industries, compared with the U.S. Bureau of Labor Statistics' annual average employment statistics for these industries, range from 76% in durable goods manufacturing to 12% in construction.

Because the EEO-1 reporting requirements cover employers of 100 or more, and, in the case of multiple establishment employers, cover only those establishments with 25 or more employees, industries characterized by small employers or employers with small work force establishments, such as construction, trade services and agriculture are not well represented in the data.

There are two other limitations that users of EEO-1 data should be aware of:

a. The term "employee" does not include temporary or casual employees hired for a specified period of time or for the duration of a specified job. Coverage of the construction industry, therefore, is limited and agricultural workers and mariners tend to be excluded because of this definition.

b. Due to the unique racial and ethnic makeup of the population of Hawaii, establishments in that state were required to supply data only with regard to the sex of employees. As a result, employment data for establishments in Hawaii have been excluded from all aggregations of EEO-1 data included in this report.

Inquiries regarding this publication or EEO survey data in general should be directed to:

EQUAL EMPLOYMENT
OPPORTUNITY COMMISSION
WASHINGTON, D.C.

EQUAL EMPLOYMENT OPPORTUNITY

STANDARD FORM 100, EMPLOYER INFORMATION REPORT EEO-1

100-112

INSTRUCTION BOOKLET

The Employer Information EEO-1 survey is conducted annually under the authority of Public Law 88-352, Title VII of the Civil Rights Act of 1964, as amended by the Equal Employment Opportunity Act of 1972. All employers with 15 or more employees are covered by Public Law 88-352 and are required to keep employment records as specified by Commission regulations. Based on the number of employees and federal contract activities, certain large employers are required to file an EEO-1 report on an annual basis.

See the Appendix for the applicable provisions of the law, Section 709(c) of Title VII and the applicable regulations, Section 1602.7-1602.14, Subpart B, Chapter XIV, Title 29 of the Code of Federal Regulations. State and local governments, school systems and educational institutions are covered by other employment surveys and are excluded from Standard Form 100, Employer Information Report EEO-1

In the interests of consistency, uniformity and economy, Standard Form 100 has been jointly developed by the Equal Employment Opportunity Commission and the Office of Federal Contract Compliance Programs of the U.S. Department of Labor, as a single form which meets the statistical needs of both programs. In addition, this form should be a valuable tool for companies to use in evaluating their own internal programs for insuring equal employment opportunity.

As stated above, the filing of Standard Form 100 is required by law; it *is not voluntary*. Under Section 709(c) of Title VII, the Equal Employment Opportunity Commission may compel an employer to file this form by obtaining an order from a United States District Court.

Under Section 209(a) of Executive Order 11246 the penalties for failure by a Federal contractor or subcontractor to comply may include termination of the Federal government contract and debarment from future Federal contracts.

1. WHO MUST FILE

Standard Form 100 must be filed by—

(A) All private employers who are: (1) subject to Title VII of the Civil Rights Act of 1964 (as amended by the Equal Employment Opportunity Act of 1972) with 100 or more employees EXCLUDING State and local governments, primary and secondary school systems, institutions of higher education, Indian tribes and tax-exempt private membership clubs other than labor organizations; OR (2) subject to Title VII who have fewer than 100 employees if the company is owned or affiliated with another company, or there is centralized ownership, control or management (such as central control of personnel policies and labor relations) so that the group legally constitutes a single enterprise, and the entire enterprise employs a total of 100 or more employees.

(B) All Federal contractors (private employers) who: (1) are not exempt as provided for by 41 CFR 60-1.5, (2) have 50 or more employees, and (a) are prime contractors or a first-tier subcontractor, and have a contract, subcontract, or purchase order amounting to $50,000 or more; or (b) serve as a depository of Government funds in any amount or, (c) is a financial institution which is an issuing and paying agent for U.S. Savings Bonds and Notes.

Only those establishments located in the District of Columbia and the 50 states are required to submit Standard Form 100. No reports should be filed for establishments in Puerto Rico, the Virgin Islands or other American Protectorates.

2. HOW TO FILE

The Standard Form 100 is a five-part snapout form. File the original and first two copies with the Joint Reporting Committee. The remaining two copies may be retained for employer records.

All single-establishment employers, i.e. employers doing business at only one establishment in one location, must complete a single Standard Form 100.

All multi-establishment employers, i.e. employers doing business at more than one establishment must file (1) a report covering the principal or headquarters office; (2) a separate report for each establishment employing 25 or more persons; and (3) a consolidated report. The consolidated report MUST include ALL employees by race, sex and job category in establishments with 25 or more employees as well as establishments with fewer than 25 employees; (4) a list, showing the name, address, total employment and major activity for each establishment employing fewer than 25 persons, must accompany the consolidated report. The total number of employees indicated on the headquarters report, the establishment reports, and the list of establishments with fewer than 25 employees, *must* equal the total number of employees shown on the consolidated report.

All forms for a multi-establishment company should be collected by the headquarters office for its establishments or by the parent corporation for its subsidiary(s) and submitted in one package.

The term **parent corporation** refers to any corporation which owns all or the majority stock of another corporation so that the latter stands in the relation to it of a subsidiary. Where a parent corporation is shown to control the operations or labor policies of its subsidiary(s), they constitute a single legal entity for employment purposes.

3. WHEN TO FILE

This annual report must be filed with the Joint Reporting Committee no later than March 31.

Employment figures from any pay period in January through March may be used. Those previously reporting year-end figures may continue to do so.

4. WHERE TO FILE

The completed report should be forwarded in one package to the address indicated in the attached memorandum.

5. REQUESTS FOR INFORMATION AND SPECIAL PROCEDURES (Formerly Section 4(C))

An employer who claims that preparation or the filing of Standard Form 100 would create undue hardship may apply to the Commission for a special reporting procedure. In such cases, the employer should submit in writing an alternative proposal for compiling and reporting information to: The EEO-1 Coordinator, 2401 E Street, NW., Washington, D.C. 20506.

Only those special procedures approved in writing by the Commission are authorized. Such authorizations remain in effect until notification of cancellation is given. All requests for information should be sent to the same address.

Computer printouts may be substituted for all types of EEO-1 reports (headquarter's, individual establishments, special reports) EXCEPT the consolidated report. The consolidated report MUST be prepared on the actual EEO-1 form. Additionally, computer printouts MUST contain ALL address label codes and COMPLETE information for each item on the printed form.

EEOC has a format designed which employers must use for computerized reports. A copy of the format may be obtained by calling the telephone number or writing to the address in the attached memorandum.

6. CONFIDENTIALITY

All reports and information from individual reports will be kept confidential, as required by Section 709(e) of Title VII. Only data aggregating information by industry or area, in such a way as not to reveal any particular employer's statistics, will be made public. The prohibition against disclosure mandated by Section 709(e) does not apply to the Office of Federal Contract Compliance Programs and contracting agencies of the Federal Government which require submission of SF 100 pursuant to Executive Order 11246. Reports from prime contractors and subcontractors doing business with the Federal Government may not be confidential under Executive Order 11246.

APPENDIX

1. DEFINITIONS APPLICABLE TO ALL EMPLOYERS

a. "Commission" refers to the Equal Employment Opportunity Commission.

b. "OFCCP" refers to the Office of Federal Contract Compliance Programs, U.S. Department of Labor, established to implement Executive Order 11246 (dated September 24, 1965).

c. "Joint Reporting Committee" is the committee representing the Commission and OFCCP for the purpose of administering this report system.

d. "Employer," under Section 701(b), Title VII of the Civil Rights Act of 1964 as amended by the Equal Employment Opportunity Act of 1972 means a person engaged in an industry affecting commerce who has fifteen or more employees for each working day in each of twenty or more calendar weeks in the current or preceding calendar year, and any agent of such a person, but such term does not include the United States, a corporation wholly owned by the Government of the United States, an Indian tribe, or any department or agency of the District of Columbia subject by statute to procedures of the competitive service (as defined in section 2102 of Title 5 of the United States Code), or a bona fide private membership club (other than a labor organization) which is exempt from taxation under Section 501(c) of the Internal Revenue Code of 1954; OR any person or entity subject to Executive Order 11246 who is a Federal Government prime contractor or subcontractor at any tier (including a bank or other establishment serving as a depository of Federal Government funds, or an issuing and paying agent of U.S. Savings Bonds and Notes, or a holder of a Federal Government bill of lading) or a federally-assisted construction prime contractor or subcontractor at any tier.

e. "Employee" means any individual on the payroll of an employer who is an employee for purposes of the employer's withholding of Social Security taxes except insurance salesmen who are considered to be employees for such purposes solely because of the provisions of Section 3121(d)(3)(B) of the Internal Revenue Code. The term "employee" SHALL NOT include persons who are hired on a casual basis for a specified time, or for the duration of a specified job, and work on remote or scattered sites or locations where it is not practical or feasible for the employer to make a visual survey of the work force within the report period; for example, persons at a construction site whose employment relationship is expected to terminate with the end of the employee's work at the site; persons temporarily employed in any industry other than construction, such as mariners, stevedores, waiters/waitresses, movie extras, agricultural laborers, lumber yard workers, etc., who are obtained through a hiring hall or other referral arrangement, through an employee contractor or agent, or by some individual hiring arrangement; or persons on the payroll of a temporary service agency who are referred by such agency for work to be performed on the premises of another employer under that employer's direction and control.

It is the opinion of the General Counsel of the Commission that Section 702, Title VII of the Civil Rights Act of 1964, as amended, does not authorize a complete exemption of religious organizations from the coverage of the Act or of the reporting requirements of the Commission. The exemption for religious organizations applies to discrimination on the basis of religion. Therefore, since Standard Form 100 does not provide for information as to the religion of employees, religious organizations must report all information required by this form.

f. "Commerce" means trade, traffic, commerce, transportation, transmission, or communication among the several States; or between a State and any place outside thereof; or within the District of Columbia, or a possession of the United States; or between points in the same State but through a point outside thereof.

g. "Industry Affecting Commerce" means any activity, business or industry in commerce or in which a labor dispute would hinder or obstruct commerce or the free flow of commerce and includes any activity or industry "affecting commerce" within the meaning of the Labor Management Reporting and Disclosure Act of 1959. Any employer of 15 or more persons is presumed to be in an "industry affecting commerce."

h. "Employer Identification Number" is the 9-digit number which each legal entity (corporation, partnership, or sole proprietorship) has been assigned on the basis of its application (Form SS-4) to Internal Revenue Service for an identification number, and is used to identify the company on all company reports to the Social Security Administration and to the Internal Revenue Service. This number should also be used on all employer information reports and communications concerning these reports.

i. "Establishment" is an economic unit which produces goods or services, such as factory, office, store, or mine. In most instances, the establishment is at a single physical location and is engaged in one, or predominantly one, type of economic activity (definition adapted from the 1957 Standard Industrial Classification Manual).

Units at different physical locations, even though engaged in the same kind of business operation should be reported as separate establishments. For locations involving construction, transportation, communications, electric, gas, and sanitary services, oil and gas fields, and similar types of physically dispersed industrial activities, however, it is not necessary to list separately each individual site, project, field, line, etc., unless it is treated by you as a separate legal entity with a separate EI number. For these types of activities, list as establishments only those relatively permanent main or branch offices, terminals, stations, etc., which are either (a) directly responsible for supervising such dispersed activities, or (b) the base from which personnel and equipment operate to carry out these activities. (Where these dispersed activities cross State lines, at least one such "establishment" should be listed for each State involved.)

j. "Major Activity" means the major product or group of products produced or handled, or services rendered by the reporting unit (e.g., manufacturing airplane parts, retail sales of office furniture) in terms of the activity at which the greatest number of all employees work. The description includes the type of product manufactured or sold or the type of service provided.

2. DEFINITIONS APPLICABLE ONLY TO GOVERNMENT CONTRACTORS SUBJECT TO EXECUTIVE ORDER 11246

a. "Order" means Executive Order 11246, dated September 24, 1965.

b. "Contract" means any Government contract or any federally assisted construction contract.

c. "Prime Contractor" means any employer having a Government contract or any federally assisted construction contract, or any employer serving as a depositary of Federal Government funds.

d. "Subcontractor" means any employer having a contract with a prime contractor or another subcontractor calling for supplies or services required for the performance of a Government contract or federally assisted construction contract.

e. "Contracting Agency" means any department, agency and establishment in the executive branch of the Government, including any wholly owned Government corporation, which enters into contracts.

f. "Administering Agency" means any department, agency and establishment in the executive branch of the Government, including any wholly owned Government corporation, which administers a program involving federally assisted construction contracts.

g. "Compliance Agency" means the agency designated by the Director of the Office of Federal Contract Compliance Programs to conduct compliance reviews and to undertake such other responsibilities in connection with the administration of Executive Order 11246 as the Director may determine to be appropriate.

3. RESPONSIBILITIES OF PRIME CONTRACTORS

a. At the time of an award of a subcontract subject to these reporting requirements, the prime contractor shall inform the subcontractor of its responsibility to submit annual information reports in accordance with these in-

structions and, where necessary, provide the subcontractor with copies of Standard Form 100 which it shall obtain from its compliance agency.

***b.* If prime contractors are required by their compliance agencies, or subcontractors by their prime contractors, to submit notification of filing, they shall do so by ordinary correspondence. However, such notification is not required by and should not be sent to the Joint Reporting Committee.**

4. RACE/ETHNIC IDENTIFICATION

You may acquire the race/ethnic information necessary for this report either by visual surveys of the work force, or from post-employment records as to the identity of employees. Eliciting information on the race/ethnic identity of an employee by direct inquiry is not encouraged.

Where records are maintained, it is recommended that they be kept separately from the employee's basic personnel file or other records available to those responsible for personnel decisions.

Since visual surveys are permitted, the fact that race/ethnic identifications are not present on employment records is not an excuse for failure to provide the data called for.

Moreover, the fact that employees may be located at different addresses does not provide an acceptable reason for failure to comply with the reporting requirements. In such cases, it is recommended that visual surveys be conducted for the employer by persons such as supervisors who are responsible for the work of the employees or to whom the employees report for instructions or otherwise.

Please note that conducting a visual survey and keeping post-employment records of the race/ethnic identity of employees is legal in all jurisdictions and under all Federal and State laws. State laws prohibiting inquiries and recordkeeping as to race, etc., relate only to applicants for jobs, not to employees.

Race/Ethnic designations as used by the Equal Employment Opportunity Commission do not denote scientific definitions of anthropological origins. For the purposes of this report, an employee may be included in the group to which he or she appears to belong, identifies with, or is regarded in the community as belonging. However, no person should be counted in more than *one* race/ethnic group. The race/ethnic categories used for this survey are:

White (Not of Hispanic origin)—All persons having origins in any of the original peoples of Europe, North Africa, or the Middle East.

Black (Not of Hispanic origin)—All persons having origins in any of the Black racial groups of Africa.

Hispanic—All persons of Mexican, Puerto Rican, Cuban, Central or South American, or other Spanish culture or origin, regardless of race.

Asian or Pacific Islander—All persons having origins in any of the original peoples of the Far East, Southeast Asia, the Indian Subcontinent, or the Pacific Islands. This area includes, for example, China, Japan, Korea, the Philippine Islands, and Samoa.

6. LEGAL BASIS FOR REQUIREMENTS

SECTION 709(c), TITLE VII, CIVIL RIGHTS ACT OF 1964

(As Amended by the Equal Employment Opportunity Act of 1972)

Recordkeeping; reports

Every employer, employment agency, and labor organization subject to this title shall (1) make and keep such records relevant to the determinations of whether unlawful employment practices have been or are being committed, (2) preserve such records for such periods, and (3) make such reports therefrom as the Commission shall prescribe by regulation or order, after public hearing, as reasonable, necessary, or appropriate for the enforcement of this title or the regulations or orders thereunder. The Commission shall, by regulation, require each employer, labor organization, and joint labor-management committee subject to this title which controls an apprenticeship or other training program to maintain such records as are reasonably necessary to carry out the purposes of this title, including, but not limited to, a list of applicants who wish to participate in such program, including the chronological order in which applications were received, and to furnish to the Commission upon request, a detailed description of the manner in which persons are selected to participate in the apprenticeship or other training program. Any employer, employment agency, labor organization, or joint labor-management committee which believes that the application to it of any regulation or order issued under this section would result in undue hardship may apply to the Commission for an exemption from the application of such regulation or order, and, if such application for an exemption is denied, bring a civil action in the United States district court for the district where such records are kept. If the Commission or the court, as the case may be, finds that the application of the regulation or order to the employer, employment agency, or labor organization in question would impose an undue hardship, the Commission or the court, as the case may be, may grant appropriate relief. If any person required to comply with the provisions of this subsection fails or refuses to do so, the United States district court for the district in which such person is found, resides, or transacts business, shall, upon application of the Commission, or the Attorney General in a case involving a government, governmental agency or political subdivision, have jurisdiction to issue to such person an order requiring him to comply.

TITLE 29, CHAPTER XIV, CODE OF FEDERAL REGULATIONS

Subpart B—Employer Information Report

§ 1602.7 Requirement for filing of report.

On or before March 31, 1967, and annually thereafter, every employer subject to Title VII of the Civil Rights Act of 1964 which meets the 100-employee test set forth in Section 701(b) thereof shall file with the Commission or its delegate executed copies of Standard Form 100, as revised (otherwise known as "Employer Information Report EEO-1") in conformity with the directions set forth in the form and accompanying instructions. Notwithstanding the provisions of Section 1602.14, every such employer shall retain at all times at each reporting unit, or at company or divisional headquarters, a copy of the most recent report filed for each such unit and shall make the same available if requested by an officer, agent or employee of the Commission under the authority of section 710(a) of Title VII. Appropriate copies of Standard Form 100 in blank will be supplied to every employer known to the Commission to be subject to the reporting requirements, but it is the responsibility of all such employers to obtain necessary supplies of same prior to the filing date from the Joint Reporting Committee, Federal Depot, 1201 East 10th Street, Jeffersonville, Indiana 47130.

§ 1602.8 Penalty for making of willfully false statements on report.

The making of willfully false statements on Report EEO-1 is a violation of the United States Code, Title 18, section 1001, and is punishable by fine or imprisonment as set forth therein.

§ 1602.9 Commission's remedy for employer's failure to file report.

Any employer failing or refusing to file Report EEO-1 when required to do so may be compelled to file by order of a U.S. District Court, upon application of the Commission.

§ 1602.10 Employer's exemption from reporting requirements.

If an employer is engaged in activities for which the reporting unit criteria described in section 4(c) of the Instructions are not readily adaptable, special reporting procedures may be required. In such case, the employer should so advise by submitting to the Commission or its delegate a specific proposal for an alternative reporting system prior to the date on which the report is due. If it is claimed the preparation or filing of the report would create undue hardship, the employer may apply to the Commission for an exemption from the requirements set forth in this part.

§ 1602.11 Additional reporting requirements.

The Commission reserves the right to require reports other than that designated as the Employer Information Report EEO-1, about the employment practices of individual employers or groups of employers whenever, in its judgment, special or supplemental reports are necessary to accomplish the purposes of Title VII. Any system for the requirement of such reports will be established in accordance with the procedures referred to in section 709(c) of Title VII and as otherwise prescribed by law.

Subpart C—Recordkeeping by Employers

§ 1602.12 Records to be made or kept.

The Commission has not adopted any requirement, generally applicable to employers, that records be made or kept. It reserves the right to impose recordkeeping requirements upon individual employers or groups of employers subject to its jurisdiction whenever, in its judgment, such records (a) are necessary for the effective operation of the EEO-1 reporting system or of any special or supplemental reporting system as described above; or (b) are further required to accomplish the purposes of Title VII. Such recordkeeping requirements will be adopted in accordance with the procedures referred to in section 709(c), and as otherwise prescribed by law.

§ 1602.13 Records as to racial or ethnic identity of employees.

Employers may acquire the information necessary for completion of Items 5 and 6 of Report EEO-1 either by visual surveys of the work force, or at their option, by the maintenance of post-employment records as to the identity of employees where the same is permitted by State law. In the latter case, however, the Commission recommends the maintenance of a permanent record as to the racial or ethnic identity of an individual for purpose of completing the report form only where the employer keeps such records separately from the employee's basic personnel form or other records available to those responsible for personnel decisions, e.g., as part of an automatic data processing system in the payroll department.

§ 1602.14 Preservation of records made or kept.

(a) Unless the employer is subject to a State or local fair employment practice law or regulation governing the preservation of records and containing requirements inconsistent with those stated in this part, any personnel or employment record made or kept by an employer (including but not necessarily limited to application forms submitted by applicants and other records having to do with hiring, promotion, demotion, transfer, lay-off or termination, rates of pay or other terms of compensation, and selection for training or apprenticeship) shall be preserved by the employer for a period of 6 months from the date of the making of the record or the personnel action involved, whichever occurs later. In the case of involuntary termination of an employee, the personnel records of the individual terminated shall be kept for a period of 6 months from the date of termination. Where a charge of discrimination has been filed, or an action brought by the Attorney General, against an employer under Title VII, the respondent employer shall preserve all personnel records relevant to the charge or action until final disposition of the charge or the action. The term "personnel records relevant to the charge," for example, would include personnel or employment records relating to the charging party and to all other employees holding positions similar to that held or sought by the charging party; and application forms or test papers completed by an unsuccessful applicant and by all other candidates for the same position as that for which the charging party applied and was rejected. The date of "final disposition of the charge or the action" means the date of expiration of the statutory period within which a charging party may bring an action in a U.S. District Court or, where an action is brought against an employer either by a charging party or by the Attorney General, the date on which such litigation is terminated.

(b) The requirements of this section shall not apply to application forms and other pre-employment records of applicants for positions known to applicants to be of a temporary or seasonal nature.
